Gibcam Training Workshops

We are the only West Coast facility that is both certified and authorized by Gibcam Industries to offer Training Workshops on all Gibcam Camera Stabilizer Systems.

The workshops are available in 1-Day or 2-Day sessions. You don't have to own a Gibcam to take the workshop. You can rent a Gibcam system at half the regular rental rate if the rental is to be used for the workshop.

We invite you to come and give it a try.
